

Dear Parents and Guardians

My name is Tharan Suvarna. I am in my final semester at Oakland University and the student teacher for this class. I am excited and happy to be teaching and learning with your child. I have met some of you during parent teacher conferences and the virtual open house.

I am a Detroit sport's fan. I host a podcast called Michigan Hidden History. The podcast is about Michigan History using the historical markers around the state. My family includes my mom, dad and a brother who graduated from the University of Michigan in December. One of my long-term goals is to become President of the United States, this has been a goal of mine since 2nd grade. I like to read crime- drama books .

As the year progresses, I will be teaching every subject.

If you have any concerns or questions about your child do not hesitate to contact me.

Sincerely  
Tharan Suvarna  
Student Teacher
